Indiana Initial Practitioner License in Elementary Generalist

Anticipated May 2022

- Generalist (Grades K-6)
- Middle Grades Math License Addition (Grades 5-9)

EDUCATION

Indiana University - Bloomington, IN

May 2022

Bachelor of Science in Education

GPA: 3.9/4.00

Major: Elementary Education (Mathematics Concentration), Middle Grades Mathematics

Certifications: CPR/AED (2021), Apple Teacher (2020), Google Educator (2020), Suicide Prevention (2019)

TEACHING EXPERIENCE

International Secondary Math Student Teaching

Mar. 2022 - June 2022

Ireland

- To be completed

Indiana Elementary Student Teaching

Jan. 2022 - Mar. 2022

University Elementary School, Bloomington, IN; Grade 3

- Assisted and taught full time in a diverse classroom with 20 students by leading morning meetings, lessons in grammar, reading/writing, science, social studies (International Baccalaureate Units), and mathematics, managing student behavior and procedures, and lesson planning (50 days in total).
- Planned and differentiated lessons to a remedial math classroom with 10 students to meet their individual learning needs through various modes of instruction.

IU School of Education Jacobs' Preservice Teacher Internship Award

Oct. 2020 - May 2021

Pre-Service Educator Intern

- Met with pre-service and in-service teachers to discuss how to design and implement online eLearning materials at the elementary level.
- Worked with an in-service teacher and assisted in the creation of eLearning materials to distribute and share with elementary teachers within the Monroe County community.

Field Experience / Service Learning

2019 - 2021

Charles L. Smith Fine Arts Academy (Fall 2021)

- Assisted teaching in a 1st grade classroom of 26 students through individual, small group, and whole class instruction (80 hours in total).

- Created a four lesson social studies unit on family tradition teaching about past/present/future, family structures, diversity in family and culture, and tradition. The lessons were tailored to meet the needs of individual students by including accommodations and modifications that align with our observations, student IEPs, and grade-level needs.

Virtual Reading Tutor (Fall 2020)

- Created weekly lesson plans (10 total) tailored to meet the needs of a kindergarten student through online methods by utilizing technology resources.
- Kidwatched/observed the student's learning practices and progress to best adapt my instruction to meet his needs; differentiated each lesson plan to create an authentic learning environment.

South Central Community Action Program: Thriving Connections (Spring 2019)

- Spent 20 hours helping a community of diverse people cultivating intentional relationships with a focus on achieving financial, emotional, mental, physical, social, and spiritual growth. Acted as a responsible, fun, and friendly volunteer assisting children of all ages in educational and character building activities.

Lakeview Elementary School Microteaching (Spring 2019)

- Taught a 45-minute "micro" lesson at Lakeview Elementary School regarding computational thinking to 4th grade students.

St. Charles's Elementary School Physical Education Observation (Fall 2019)

- Prepared and taught a safe, enthusiastic/engaging physical education lesson plan to an all girls 6th grade class.
- Demonstrated effective classroom management and differentiated the lesson by accommodating to physical needs as necessary.

Child's Elementary School Robotics Club (Fall 2019)

- Assisted (10 hours) an elementary school's 6th grade robotics/STEM club to observe how to better apply computer science education.

Bloomington United Gymnastics and Soccer - Bloomington, IN

Nov. 2018 - Aug. 2021

Gymnastics Coach

- Coached athletes of ages ranging from 2-18 in recreational gymnastics and tumbling, monitoring their form and skill level to adapt the classes to their needs.
- Prepare individualized instruction for children looking to master/improve specific skills through the form of private lessons.
- Supervise birthday parties in the gym by managing the children, activities, and facilities in a safe and engaging manner. Create an environment that is fun and inclusive for all members of the party.

Indiana University School of Education - Bloomington, IN

Aug. 2019 - Dec. 2019

Undergraduate Laboratory Assistant

- Assisted in teaching the W200: Using Computers in Education course at Indiana University.
- Provided head instructors with mini lessons and/or demonstrations for online educational programs/applications to share with pre-service educators (college students) and provided direct guidance to students in search of help on assignments.

OTHER EXPERIENCE

St. Paul Catholic Center - Bloomington, IN

May. 2020 - Dec. 2020

Front Desk Assistant

- Tended the needs of the parish by answering and responding to the office phone calls, in-person visitors, and emails and being attentive of any other church office needs that could arise.

- Kept the safety protocols in check by managing the online reservation system, daily church attendance, and church sanitation routines.

ACTIVITIES

C.O.R.E. Team - St. Paul's Catholic Center

Aug. 2019 - May 2020

External Committee

- Collaborated with others in planning, coordinating, and promoting events for the members of the Hoosier Catholic organization to attend as a way of building community and growing in faith through fun, engaging activities outside of the church walls.

Hoosier Catholics

Aug. 2018 - Current

- Gathered together with other college students of shared faith to pray, socialize, evangelize, and create meaningful relationships.

Service/Volunteer Work

- Attended mission trips and retreats globally that served the less fortunate through yard work, childcare, organizing, painting, house repair, and more.
- Assisted at church services through childcare, altar serving, public speaking/reading, and live streaming the services.

AWARDS/SCHOLARSHIPS

- Provost Scholarship, Bicentennial Scholarship, National BETA Club Scholarship, Mary K. Stratton Scholarship, Indiana University Founders Scholar 2020, IU School of Education Jacobs' Preservice Teacher Internship Award 2020, IU School of Education Dean's List, Jepsen International Study Scholarship 2021
